Information sheet on the Les Bourgs Hospice

What is Les Bourgs Hospice?

Les Bourgs Hospice is a Christian charity that cares for people who have a life limiting disease, at any stage of their illness.

It is the only hospice in Guernsey and the facilities are available to all residents of the Bailiwick. It received no financial support from the States of Guernsey.

Our philosophy is to provide palliative care (treatment that relieves but does not cure) by specialist medical and nursing staff, in a welcoming environment that reflects the specific needs of our patients and families.

Whilst cure may not be possible, the careful control of pain and other symptoms plus the provision of space and time to discuss emotional and spiritual needs enable patients to live with dignity and free from distress – both physical and psychological.

Our aim is to help the patient and their families experience “quality of life” and for the patient to retain their individuality and independence for as long as possible.

These services are available at no charge to the patient or family, all they pay for are charges levied by other health care professionals, such as Doctors.

The charity is dependent upon fundraising, donations and bequests to meet its day-to-day running costs which increase each year.

Why become a Friend of Les Bourgs Hospice:

Becoming a “Friend of Les Bourgs Hospice” is therefore an opportunity for you to lend your support to the charity by committing yourself to nothing more than an annual subscription of at least £12 per annum. For this annual subscription you will receive regular information about the Hospice, its work and events so you can help us spread the word further.

If you wish to send a donation and not become a Friend, please check the Hospice website www.lesbourgshospice.org.gg for suggested ways of donating or you can send it to the following address:
