"Auctioneer" means Cooper Brouard Ltd, Grande Rue, St Martin's GY4 6RR as agent for the vendor.

"lot(s)" means the lots individually or collectively offered for sale by public auction.

"selling price" means the price at which the lot is sold upon the striking of the auctioneer's gavel.

There is no buyer's premium payable.

"vendor" means Les Bourgs charity shop, Les Huriaux, St Martin's GY4 6SY.

1. The highest bidder to be the buyer. Should any dispute arise the lot may at the discretion of the auctioneer immediately be put up again and resold.
2. The amount of the bids to be at the discretion of the auctioneer.
3. Bidding numbers must be used when bidding and will be supplied without the need for bidders to register. Successful bidders cannot pay for and collect any lots without first producing their bidding number.
4. Commission bids may be lodged prior to the auction (see below).
5. Bidders wishing to make telephone bids during the auction must arrange to do so prior to the auction (see below).
6. The vendor is entitled to place a reserve on any lots. In the event of any reserve price not being reached the vendor or the auctioneer with the vendor's permission can sell after the auction by private treaty for less than the reserve price. In such event these Conditions of Sale still apply.
7. Before collecting any lots the buyer must first pay the vendor the selling price in accordance with the auction guidance notes below.
8. Buyers should make their own arrangements to collect and remove their lots in accordance with the payment options below.
9. Neither the vendor nor the auctioneer accepts responsibility for loss or damage to a lot during or following the auction, however caused.
10. The colours on screen or printed in the auction catalogue are not necessarily a true representation and written particulars of a lot are statements of opinion given only as a guide. Bidders should satisfy themselves as to the accuracy of the images and information given.
11. Lots previously donated to the vendor are likely to be in used condition and unlikely to have certification, instruction manuals or service records, as the case may be. All lots are offered for sale in good faith and the buyer will not have any claim against the vendor or the auctioneer if any lot having been sold in good faith is subsequently found to be damaged, defective, incomplete, fakery or forged.
12. As respects mechanical and electrical lots the vendor warrants to the best of its knowledge that upon external inspection at the date of the auction the lots although untested are presumed safe if reasonably used for the purpose for which they were designed. Neither the vendor nor the auctioneer accepts responsibility whatsoever for loss or damage including to human life or health resulting from the use of any lot.
13. Stated weights, measurements and guide prices and statements of attribution, origin, date, age and provenance are statements of opinion only. Bidders should satisfy themselves of their validity prior to bidding.

### Commission bids

Commission bidding forms are available upon request by post or email by contacting [trevorcooper@suremail.gg](mailto:trevorcooper@suremail.gg) or by telephone 07781136039 and should be emailed, posted or delivered to the auctioneer's address above before 5pm 22 September 2023. The auctioneer will endeavour to buy the lot for the commission bidder for less than the maximum bid, other bids and the owner's reserve allowing. In the case of two identical commission bids received on the same lot, the earliest received bid will take precedence. Bids without a maximum bid will not be accepted and the auctioneer reserves the right to refuse requests for commission bids at its discretion. In the event of a sale by commission bid the Conditions of Sale still apply.

### Telephone bids

Anyone wishing to make telephone bids during the auction must arrange to do so by contacting [trevorcooper@suremail.gg](mailto:trevorcooper@suremail.gg) or by telephone 07781136039 no later than 5pm 22 September 2023. The auctioneer reserves the right to refuse requests for telephone bids at its discretion and will not be held responsible for failure to contact a bidder due to telecom issues beyond its control. In the event of a sale by telephone bid the Conditions of Sale still apply.

### Collection

Buyers should make their own arrangements to collect and remove their lots during or immediately following the auction. Neither the vendor nor the auctioneer offers a delivery or postal service for any lots. Telephone and commission bidders are able to pay for and collect their lots from Les Bourgs charity shop at Les Huriaux, St Martin's (formerly St Martin's Garden and Pet Centre) during the shop's usual opening hours upon confirming the auction lot number and their allocated bidding number.

### Payment options

Buyers are not able to collect any lots without first paying the vendor the selling price in cash, by debit card or by cheque drawn on a local bank made payable to Les Bourgs Hospice. Details for payment by internet transfer available upon request. Credit cards and American Express cards are not accepted.
