

Specialist Palliative Care Hospice Nurse (Band 5/6 Development Opportunity)

Make a Difference and Develop Your Specialist Nursing Career.

Are you a compassionate and motivated Registered Nurse looking for an exciting opportunity to develop your skills in specialist palliative care?

We are seeking enthusiastic **Band 5 and Band 6 Registered Nurses** to join our dedicated and supportive **Hospice Team**. This is a fantastic opportunity to build a rewarding career in specialist palliative and end-of-life care while making a real difference to patients and their families during some of the most important moments of their lives.

Whether you are an experienced Band 5 nurse looking to develop specialist skills or a Band 6 nurse seeking a new challenge, we offer an exceptional environment in which to learn, grow, and progress your career.

Why Join Our Team?

Working within our in-patient hospice unit, you will be part of a highly skilled multidisciplinary team delivering outstanding, compassionate care to patients with complex palliative and end-of-life needs.

We are committed to investing in our staff and supporting career development, offering opportunities to expand your clinical expertise and progress within specialist palliative care nursing.

What We Offer

- Competitive salary with excellent pay enhancements
- Generous annual leave entitlement
- Comprehensive induction and specialist palliative care training
- Ongoing professional development and education opportunities
- Clear career progression pathways
- Supportive mentorship from experienced palliative care specialists
- Pension Scheme
- Health and wellbeing initiatives.
- Guernsey MIND Workplace Partnership
- Additional staff benefits and discounts
- A caring, supportive, and inclusive team culture

About the Role

As part of our In-Patient Hospice Team, you will provide high-quality, holistic care to patients with life-limiting illnesses, ensuring comfort, dignity, and the best possible quality of life.

You will have opportunities to develop expertise in:

- Specialist symptom management
- End-of-life care
- Complex care planning
- Communication and advance care planning
- Psychological and emotional support for patients and families
- Multidisciplinary team working
- Education and support for colleagues
- Palliative emergencies and complex clinical decision-making

About You

You will be:

- A Registered Nurse with current NMC registration
- Working at Band 5 or Band 6 level, or equivalent
- Passionate about delivering person-centred, compassionate care
- Interested in developing a specialist career in palliative care
- An excellent communicator and team player
- Committed to continuous professional development and learning

Join Us

This is an exciting opportunity to become part of a caring and highly respected hospice team where your contribution truly matters. If you are looking for a rewarding role that offers exceptional professional development, excellent benefits, and the chance to positively impact the lives of patients and their families every day, we would love to hear from you.

Take the next step in your nursing career and join our specialist in-patient hospice team today.

♥ Join Our In-Patient Hospice Team ♥

Are you a Band 5 or Band 6 Registered Nurse looking for a rewarding opportunity to develop your specialist skills in palliative and end-of-life care?

We are looking for compassionate, motivated nurses to join our caring and supportive in-patient Hospice team. As part of our skilled in-patient Hospice team, you will work on an internal rotation basis, delivering high-quality, compassionate care to patients and families during some of the most important moments in their lives.

This is a fantastic opportunity to grow your career with a team that truly cares, with excellent training, career progression opportunities, competitive pay, generous holiday entitlement, and staff benefits package.

It is an exciting time to join hospice care in Guernsey, as the island-wide palliative care strategy is currently being debated.

Closing date: 23rd October 2026. We reserve the right to close applications earlier if suitable candidates are found.
